Be a Crusader!

Christ the King Catholic High School
ctkcommunication@ctkchs.net **January 5, 2018**

Dear Crusaders,

You are in our prayers for a healthy 2018. Summative exams are fast upon us, as the first semester draws to a close. A school which is based upon the foundations of Faith and Reason most certainly fosters the pathway toward educational excellence. However, this pathway is not merely aimed at transforming minds; our true goal is the transformation of lives. What is excellence in any area of life worth if it is not placed at the service of our brothers and sisters? All too often we see those who have achieved economic, athletic, social, political and intellectual success use their power to tear down rather than build up.

We are confident in the future success of your sons and daughters. Nothing would give us more pride than to witness that their success has also made the world a better place. In this light, our Bridge Week themes is to “love thy neighbor.” For those of us who are new to CTK, Bridge Week is a short intersession between semesters in order to take time to pause, reflect and reform ourselves. Bridge Week is a tangible expression of how seriously CTK takes the formation of your loved ones into fine young men and women. Thank you for sharing them with us.

Pax et bonum,
Dr. Semmler
