Dear Crusaders,

I hope that you safely braved the snow and ice this week. Students in the MACS school system and CTK in particular travel from a wide circumference. The decision to close school is not made lightly, however when decisions such as these are made, we need to consider the many neighborhoods that were affected by the storm. We truly appreciate your patience and cooperation.

This past Tuesday of Bridge Week was off to a good start. The colleges and universities who met our students reported glowing feedback. Many of the students said that they found the trips to be helpful. The Wells Fargo Financial Boot Camp was quite informative. While many of the speakers needed to be canceled, we will reach out to our presenters and see if there are alternate ways of reaching our students. This week's Crusader Weekly is a bit light, however we did want to send a note to thank you all.

Salus Animarum, Suprema Lex,
Dr. Semmler

The Week in Review

By Alexa Tilden

CTK was met on the Feast of the Epiphany by our Chaplain Fr. Paul McNulty and the priests and seminarians from St. Mark's Parish, for a special blessing.

During Bridge Week our Seniors attended a Financial Boot Camp, presented by Ginene Winchester and her colleague at Wells Fargo.

On Saturday, Jan. 20th at 8AM CTK will host the 8th Grade High School Placement Exam.

Brandon "Jay" Jones represented CTK, at the USA Football International Bowl in the Dallas Cowboys' Stadium. The Under 16 Select Team blanked the team from Mexico.
